

SNOWBIRD GOLF LEAGUE

Starts Saturday, February 6th

9:00 am

Here at Seascape, we are dedicated to our winter guests. We want to invite all snowbirds to enjoy a competitive league which will be held every Saturday starting the 6th day of February and concluding on March 13th. It will be a 6 week league with prizes handed out weekly. The cost of the event will be \$39+tax for your golf and greens fee. Then an additional \$5 per person for prizes which will need to be paid in cash. If you have 10 play cards, you can use your punches for these events!! You would still need to bring \$5 in cash with you for the prizes. In order to make the games fair, the format for the events will be Dog Fight Points. We will need your USGA index or handicap to formulate your dog fight points. We will pair you into a 4 person team. It will be an A, B, C, D player team. The A and B player on your team will play with an A and B player from another team, so you will play with golfers of equal abilities!! This is a league for you! We love hearing new ideas and can't wait to see you all out here every Saturday. Please contact Michael Jersey with any questions @ 654-7888 or jersey.seascapegolf@live.com
